Mentari Jovani Sanika Br Ginting, NPM. 1605030156 “Analisis Kesulitan Belajar Siswa Mata Pelajaran IPA Materi Gaya Kelas IV SD Swasta GKPS Pasar III Namorambe T.A 2019/2020. Skripsi: Program Studi Pendidikan Guru Sekolah Dasar, Fakultas Keguruan dan Ilmu Pendidikan. Universitas Quality.

Penelitian ini bertujuan untuk mengetahui hasil belajar siswa dan kesulitan siswa dalam mempelajari materi Gaya dan faktor penyebab kesulitan siswa dalam mempelajari materi Gaya pada mata pelajaran IPA di Kelas IV SD Swasta GKPS Pasar III Namorambe T.A 2019/2020.

Penelitian ini dilakukan di SD Swasta GKPS Pasar III Namorambe T.A 2019/2020 tanggal 16-18 Maret. Populasi sekaligus sebagai sampel dalam penelitian ini adalah siswa Kelas IV SD Swasta GKPS Pasar III Namorambe yang berjumlah 60 orang. Alat pengumpulan data yang digunakan yaitu tes dan wawancara.

Berdasarkan hasil analisis data diperoleh: (1) hasil belajar siswa dalam mempelajari materi Gaya, memperoleh nilai rata-rata 51,07 yang tergolong kategori tidak mampu, (2) Kesulitan siswa dalam mempelajari materi Gaya, siswa kurang memahami materi tentang Gaya, sehingga kemampuan siswa dalam menyelesaikan tes materi Gaya masih rendah/tidak mampu, dan (3) faktor yang menyebabkan rendahnya kemampuan siswa dalam materi Gaya ialah karena siswa kurang menyukai mata pelajaran IPA, siswa kurang berperan aktif dalam pembelajaran tersebut dan tidak memperhatikan gurunya pada saat pelaksanaan proses belajar mengajar di dalam kelas. Guru kurang maksimal dalam memotivasi dan mengajarkan materi Gaya kepada siswa sehingga siswa cepat lupa dan tidak mengulangnya lagi di rumahnya.

Kata Kunci: Hasil Belajar, Kesulitan, Materi Gaya

ABSTRACT

Mentari Jovani Sanika Br Ginting, NPM. 1605030156 "Learning Difficulty Analysis Students Study Science Subjects For Class IV Style Material SD GKPS Market III Namorambe T.A 2019/2020". Thesis: Primary School Teacher Education Course, Faculty Of Teaching And Education. Quality University.

This study aims to find out students learning outcomes and students difficulties in learning the material style and causes of student difficulties in learning style material on Science subjects in class IV private SD GKPS market III Namorambe T. A 2019/2020.

The research was conducted in the private SD GKPS market III Namorambe T. 2019/2020 dated 16-18 March. The population as well as a sample in this study was a class IV student at the private SD GKPS market III Namorambe amounting to 60 people. The data collection tools used are tests and interviews.

Based on data analysis results obtained: (1) Student learning results in the study of style materials, obtained an average value of 51.07 that belongs to the category of inadequate, (2) Students' difficulties in learning style material, students lack understanding material about style, so that students' ability to complete material test style is still low/incapable, and (3) factors that cause low students' ability in Gaya material are because students are less fond of SCIENCE subjects, students are less active in the learning process and do not pay attention to their teachers during the teaching and learning Teachers are less than maximal in motivating and teaching style material to students so that students are quick to forget and do not repeat them again in their homes.
