Skripsi Program Studi Pendidikan Sekolah Dasar, Fakultas Keguruan Dan Ilmu Pendidikan, Universitas Quality Medam.

Tujuan penelitian ini terdiri dari (1) Untuk mengetahui hasil belajar siswa yang diajarkan menggunakan media *Pop Up Book* pada materi Kenampakan Permukaan Bumi di kelas III SD Negeri 064023 Kemenangan Tani Tahun Ajaran 2021/2022, (2) Untuk mengetahui hasil belajar siswa yang diajarkan menggunakan tanpa media pada materi Kenampakan Permukaan Bumi siswa kelas III SD Negeri 064023 Kemenangan Tani Tahun Ajaran 2021/2022, (3) Untuk mengetahui pengaruh yang signifikan penggunaan media *pop up book* tanpa menggunakan pada materi kenampakan permukaan bumi di kelas III SD Negeri 064023 Kemenangan Tani Tahun Ajaran 2021/2022. Subjek penelitian ini adalah siswa yang memperoleh nilai dibawah standar kriteria ketuntasan minimal pada pelaksanaan test awal. Populasi dalam penelitian ini adalah seluruh siswa kelas III SD Negeri 064023 Kemenangan Tani berjumlah 40 orang. Jenis penelitian ini adalah penelitian quasi eksperimen. Teknik penungupulan data yang digunakan oleh penelitian adalah tes.

Setelah melakauakan analisis data terhadap hasil penelitian maka diperoleh hasil belajar siswa yang diajarkan dengan menggunakan media *pop up book* materi kenampakan permukaan bumi berdasarkan penghitungan nilai rata-rata siswa kelas III SD Negeri 064023 Kemenangan Tani diperoleh nilai 78 berkatagori cukup. Sedangkan hasil belajar siswa yang diajarkan dengan tanpa menggunakan media dalam materi kenampakan permukan bumi berdasarkan perhitungan nilai rata-rata siswa kelas III SD Negeri 064023 Kemenangan Tani diperoleh nilai 69,5 berkatagori kurang mampu. Terdapat pengaruh signifikan menggunakan media *pop up book* dengan menggunakan media *pop up book* materi kenampakan permukaan bumi kelas III SD Negeri 064023 Kemenanagan Tani.

Kata kunci: Pengaruh Media Pembelajaran *Pop Up Book*, Kenampakan Permukaan Bumi.

ABSTRACT

Dessy Br Ginting, NPM : 1805030015, The Effect of Using Pop Up Book Learning Media on Student Learning Outcomes on the Material of Earth's Surface Appearance in Class III SD Negeri 064023 Farmer's Victory for the Academic Year 2021/2022. Thesis of Elementary School Education Study Program, Faculty of Teacher Training and Education, Quality Medam University.

The purpose of this study consisted of (1) to determine the learning outcomes of students who were taught using Pop Up Book media on the material on the appearance of the surface of the earth in class III SD Negeri 064023 Victory Farmers for the Academic Year 2021/2022, (2) to determine the learning outcomes of students who were taught using without media on the material of Earth's Surface Appearance for third grade students of SD Negeri 064023 Victory Farmer for the Academic Year 2021/2022, (3) To find out the significant effect of using pop up book media without using it on the material of the appearance of the earth's surface in class III SD Negeri 064023 Victory Farmer Year Teaching 2021/2022. The subjects of this study were students who obtained scores below the minimum standard of completeness criteria in the implementation of the initial test. The population in this study were all third grade students of SD Negeri 064023 Victory Tani totaling 40 people. This type of research is a quasi-experimental research. The data collection technique used by the research is a test. After analyzing the data on the results of the research, it was obtained that the learning outcomes of students who were taught by using pop up book media for the material of the appearance of the earth's surface based on the calculation of the average value of third grade students at SD Negeri 064023 Victory Tani obtained a score of 78 in sufficient category. While the learning outcomes of students who are taught without using media in the material of the appearance of the earth's surface based on the calculation of the average value of third grade students at SD Negeri 064023 Victory Tani obtained a score of 69.5 under the category of underprivileged. There is a significant effect using pop up book media by using pop up book media for class III earth surface appearances at SD Negeri 064023 Kemenanagan Tani.
