

**PENGARUH MODEL PEMBELAJARAN KOOPERATIF TIPE  
TALKING STICK BERBANTUAN MEDIA *BIG BOOK*  
TERHADAP HASIL BELAJAR SISWA PADA  
MATA PELAJARAN IPAS KELAS V  
SDN 105358 SEKIP  
T .P 2024/2025**

**ABSTRAK**

Penelitian ini bertujuan untuk mengetahui hasil belajar IPAS siswa yang diajar menggunakan model pembelajaran kooperatif tipe *Talking Stick* dengan media *Big Book* pada materi rantai makanan di Kelas V SD Negeri 105358 SEKIP Tahun Ajaran 2024/2025. Untuk mengetahui hasil belajar IPAS siswa yang diajar menggunakan model pembelajaran kooperatif tipe *Talking Stick* tanpa media *Big Book* pada materi rantai makanan di Kelas V SD Negeri 105358 SEKIP Tahun Ajaran 2024/2025. Untuk mengetahui pengaruh model pembelajaran kooperatif tipe *talking stick* berbantuan media *big book* terhadap hasil belajar IPAS siswa kelas V SD Negeri 105358 SEKIP Tahun Pelajaran 2024/2025. Metode penelitian yang digunakan adalah *Quasi Eksperimen* dengan desain pre test dan post test pada kelompok eksperimen dan kontrol. Model pembelajaran kooperatif tipe *talking stick* dirancang untuk meningkatkan hasil belajar IPAS. Hasil penelitian menunjukkan bahwa terdapat pengaruh yang signifikan pada nilai post test siswa kelas eksperimen dibandingkan nilai post test kelas kontrol. Pada kelas eksperimen, nilai rata-rata mencapai 85,53 dengan simpangan baku 7,85. Sedangkan pada kelas kontrol memperoleh nilai rata-rata sebanyak 71,78 dengan simpangan baku 8,30. Analisis ketuntasan hasil belajar menunjukkan bahwa seluruh siswa kelas eksperimen mencapai Kriteria Ketercapaian Tujuan Pembelajaran (KKTP). Berdasarkan hasil uji t yang telah dilakukan maka memperoleh yaitu  $t_{hitung} = 6,37$  dan  $t_{tabel}$  yang diperoleh dari hasil interpolasi data  $t_{tabel} = 1,67$ .  $t_{hitung} > t_{tabel}$  yang artinya adanya pengaruh signifikan model pembelajaran kooperatif tipe *talking stick* berbantuan media *big book* terhadap hasil belajar IPAS siswa kelas V SD Negeri 105358 SEKIP Tahun Pelajaran 2024/2025.

***Kata kunci*** : Model pembelajaran kooperatif, media *big book*, IPAS.

**THE EFFECT OF COOPERATIVE LEARNING MODEL OF TALKING  
STICK TYPE ASSISTED BY BIG BOOK MEDIA ON STUDENT  
LEARNING OUTCOMES IN IPAS SUBJECT  
GRADE V SDN 105358 SEKIP  
T .P 2024/2025**

**ABSTRACT**

*This study aims to determine the IPAS learning outcomes of students taught using the Talking Stick type cooperative learning model with Big Book media on food chain material in Class V of SD Negeri 105358 SEKIP in the 2024/2025 academic year. To determine the IPAS learning outcomes of students taught using the Talking Stick type cooperative learning model without Big Book media on food chain material in Class V of SD Negeri 105358 SEKIP in the 2024/2025 academic year. To determine the effect of the cooperative learning model of talking stick type assisted by big book media on the learning outcomes of IPAS of fifth grade students of SD Negeri 105358 SEKIP in the 2024/2025 academic year. The research method used is Quasi Experiment with pre test and post test design in experimental and control groups. The cooperative learning model of talking stick type was designed to improve the learning outcomes of IPAS. The results showed that there was a significant effect on the post test scores of experimental class students compared to the post test scores of the control class. In the experimental class, the average value reached 85.53 with a standard deviation of 7.85. Meanwhile, the control class obtained an average value of 71.78 with a standard deviation of 8.30. Analysis of the completeness of learning outcomes showed that all experimental class students achieved the Criteria for Achieving Learning Objectives (KKTP). Based on the results of the t test that has been carried out, it is obtained that  $t_{count} = 6.37$  and  $t_{table}$  which is obtained from the interpolated data  $t_{table} = 1.67$ .  $t_{count} > t_{table}$  which means that there is a significant effect of the cooperative learning model of talking stick type assisted by big book media on the learning outcomes of IPAS class V students of SD Negeri 105358 SEKIP in the 2024/2025 school year.*
