

ABSTRAK

METRA BUANA BR TARIGAN:1605030269 Fakultas Keguruan dan Ilmu Pendidikan, Universitas Quality: “Meningkatkan Hasil Belajar Siswa Dengan Menggunakan Model Pembelajaran *Snowball Throwing* Pada Mata Pelajaran IPA Kelas IV SD Negeri 040458 Berastagi Tahun Pelajaran 2019/2020.

Penelitian ini merupakan Penelitian Tindakan Kelas yang bertujuan untuk mengetahui pelaksanaan pembelajaran, ketuntasaan hasil belajar siswa serta peningkatan hasil belajar siswa melalui penerapan Model Pembelajaran *Snowball Throwing* pada mata pelajaran IPA materi Sumber Daya Alam Tema 4 Subtema 1 di Kelas IV SD Negeri 040458 Berastagi Tahun Pelajaran 2019/2020. Subjek Penelitian ini adalah siswa kelas IV yang berjumlah 22 orang.

Berdasarkan hasil penelitian Siklus I diperoleh hasil observasi pelaksanaan pembelajaran pada aspek aktivitas guru 59,7% berkriteria cukup, aspek aktivitas siswa mendapat nilai 62 berkriteria cukup, nilai rata-rata 71,5, ketuntasaan belajar secara klasikal 63,6%. Hasil penelitian Siklus II pelaksanaan pembelajaran diperoleh hasil observasi aktivitas guru 75% berkriteria baik, observasi aktivitas siswa mendapat nilai 82 berkriteria baik, ketuntasaan klasikal 86,3%, nilai rata-rata 80,6 dan peningkatan hasil belajar 12,7%.

Dengan demikian pelaksanaan pembelajaran kriteria baik dan hasil belajar tuntas dan meningkat dengan Penerapan Model Pembelajaran *Snowball Throwing* pada mata pelajaran IPA materi Sumber Daya Alam Tema 4 Subtema 1 di Kelas IV SD Negeri 040458 Berastagi Tahun Pelajaran 2019/2020.

Kata Kunci : Pembelajaran Hasil Belajar, Penerapan Model *Snowball Throwing*

ABSTRACT

METRA BUANA BR TARIGAN:1605030269 College of Education Faculty of Education and Science: “ Improving Student Learning Outcomes Using Snowball Throwing In Science Subjects In Class IV State Elementary School Berastagi Year Lesson 2019/2020.

This research is Classroom Action Research to determine the implementation of learning, completeness of student learning outcomes and improvement of students learning outcomes through the application Snowball Throwing Method on subject IPA Topic natural resources Theme 4 subthema 1 Class IV State Elementary School Berastagi Year Lesson 2019/2020. The subjects of the study were the students of class IV which amounted to 22 people.

Based on the results of the Cycle I research, the results of observations of the implementation of learning in the aspects of teacher activity 59,7% have enough criteria, the aspects of student activity get a value of 62 which is enough criteria, the classical mastery learning is obtained 63,6%.. The result in the Cycle II research the result of observation of teacher activities 75% good criteria, the results of observations activities of student got a score of 82 good criteria, the classical completeness results 86,3%, an average value 80,6 and improved learning outcomes 12,7%.

Therefore the implementation of learning good criteria and learning outcomes is complete and increased with the application of the Snowball Throwing Method on subject IPA Topic natural resources Theme 4 subthema 1 Class IV State Elementary School Berastagi Year Lesson 2019/2020.

KEYWORDS : Learning, Learning Outcomes, Application of the Snowball Throwing Method
